

OUR LADY LUCK INVITATIONAL

Thank You!

Seventy six ladies enjoyed a highly successful casino themed Ladies Invitational on August 12th. Our Indian Hills golf course was in spectacular condition. The Pro Shop staff, restaurant and bar staff, and course grounds keepers, and our Ladies League members provided superior support, delicious food, and personalized attention for all of our participants. A very special thank you goes to

- Chris Ames and the Grounds Crew for the terrific course conditions;
- Joe Haight and the Pro Shop staff for fun on course golfing games and assisting with the competitors' golf clubs;
- Murph, Deb and the Kitchen and Bar staff for food and beverages;
- Glenn Hill, Volunteer Extraordinaire, for bringing several casino games to life; and
- Suzanne Scheib for organizing the twenty five plus raffle items.

A heartfelt and extra special thank you goes to our Awesome Ladies League for exceptional support and contributions for this unique invitational, providing delicious, varied, and extensive appetizers and desserts following golf, and donating incredible raffle items. There are too many volunteers and committee members to list here but we want them to know how proud we are of them and their dedication to our club and our ladies' activities.

We are grateful to all for the fun filled invitational which received so many positive comments from members of other area golf courses in our Finger Lakes Region and Pennsylvania.

See you next year!

Best Regards,
The Indian Hills Ladies Invitational Committee
